SCORING & ENTERTAINMENT

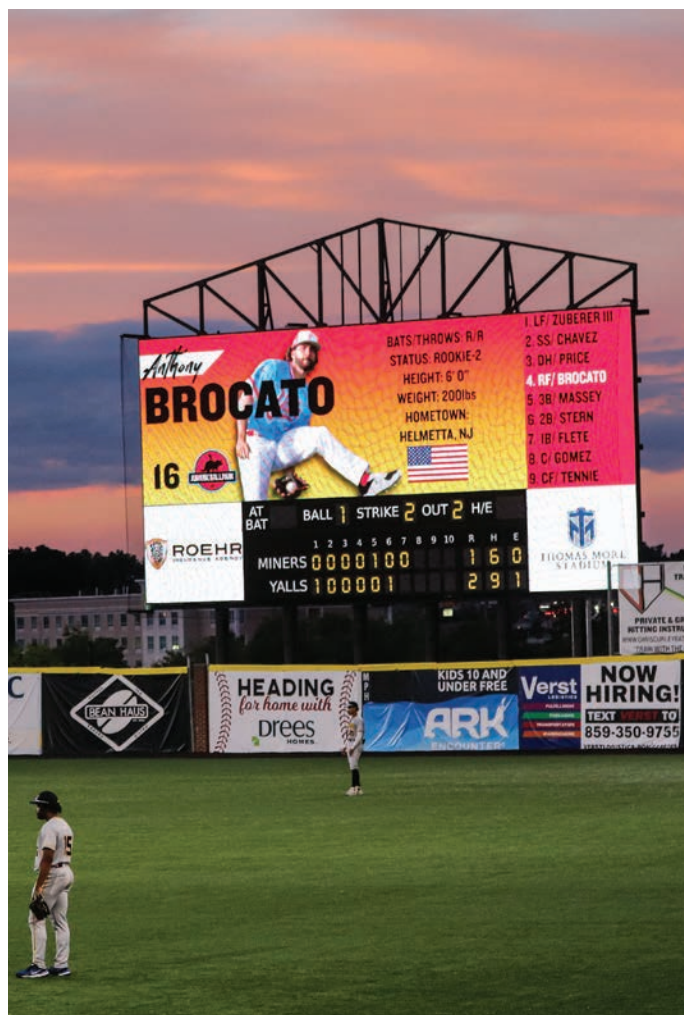

Ignite Sports is a game-time software that allows teams to score multiple sports, build advertising zones and display crowd prompts like "Make Some Noise!"

Watchfire Sound™ is a preassembled, all-in-one sound system for outdoor venues. Our smart cabinet is engineered for faster drafting, fabrication, and installation. The toolless, rear service panel means easier repairs.

Watchfire Action Package brings live video production to the big screen. Input up to eight camera feeds, capture instant replays, and live stream the game. The package includes cameras, software, and hardware.
