TECRA® A40-M

WORK SMARTER WITH AN AI ASSISTANT

From the office to remote locations, the 14-inch (14-inch diagonal) Tecra® A40-M is a powerful, AI-enhanced laptop designed for modern professionals who demand full performance, high security, and maximum convenience wherever they go.

UNCOMPROMISING PERFORMANCE

Delivering unprecedented speed and efficiency, the Tecra® A40 features Intel® Core™ Ultra processors with a Neural Processing Unit and Intel® Arc™ graphics for accelerated performance and enhanced battery life.

A STUNNING VISUAL EXPERIENCE

Experience the vibrant new 14-inch WUXGA display with a 16:10 aspect ratio, (touch optional), providing crisp and clear visuals for a more engaging work and entertainment experience.

A CLEAN STYLISH DESIGN

Features a stylish Dark Metallic Blue chassis that stands out from a sea of monochromatic competitors, and an antimicrobial-coated (IONPURE® IPL) base, lid and palm rest to inhibit the growth of bacteria.

MASTERING THE HYBRID WORKPLACE

The Tecra® A40-M's 5MP AI-enhanced webcam, dual microphones, and upgraded audio system with DTS processing make it perfect for clear, productive video conferencing.

CONNECT AT SUPERHERO SPEEDS

Stay connected with Wi-Fi 6E and a comprehensive selection of ports, including HDMI, Thunderbolt 4, USB Type-A, and a microSD card slot, ensuring you have all the connections you need.

EMPOWERED WITH AN AI COPILOT

Meet Copilot, accessible via a dedicated key, it streamlines tasks, like launching apps and adjusting system settings, through voice or text commands, enhancing efficiency and device navigation.

Laptops That Help Defend Against Cyber Threats

Dynabook's Windows 11 Secured-core PC laptops offer advanced security by integrating robust hardware and software defenses into their core components. These laptops provide a fortified shield against sophisticated cyber threats, employing specialized hardware protections and firmware safeguards. They ensure unparalleled security from boot-up, defending against malware and firmware attacks to safeguard critical data and uphold the integrity of business operations.

TECRA® A40-M

BOOST PRODUCTIVITY WITH PREMIUM SPECS AND AN AI ASSISTANT

The all-new full-performance 14-inch Tecra® A40-M ushers in a new era of unparalleled productivity boosted by powerful AI!
